Kathy Shirah hasn't attended a GEM User Group meeting since I've been on staff (June, 2002), nor has she responded to phone calls or letters mailed regarding User Group meetings. Due to this lack of participation, I think it would be appropriate to remove her from the roster and ask Comm. Grippa for a new appointee. Would you please notify Ms. Shirah and follow up with a request of Comm. Grippa at the next Board meeting?

Thanks,
Pam
